

Joe Power's Jackstone Skeleton

1. Start with Waterbomb base

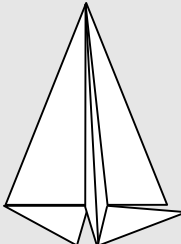

2. Fold each flap over, pinwheel-style

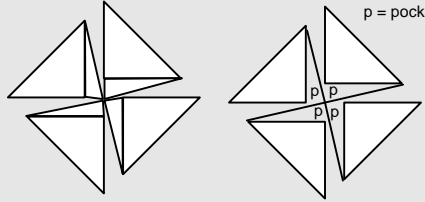

3. Fold the four small flaps in a pinwheel fashion along the base and at right angles to main body.

Completed Unit

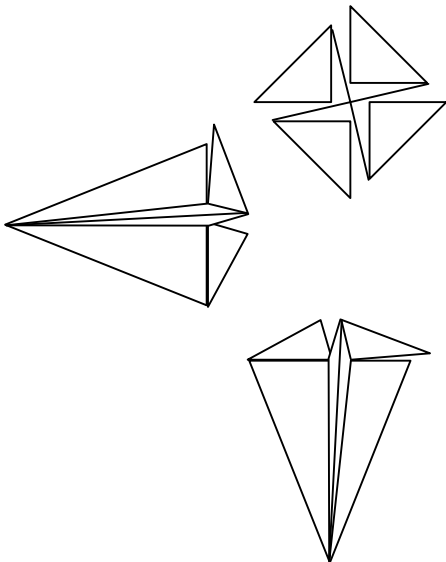

side

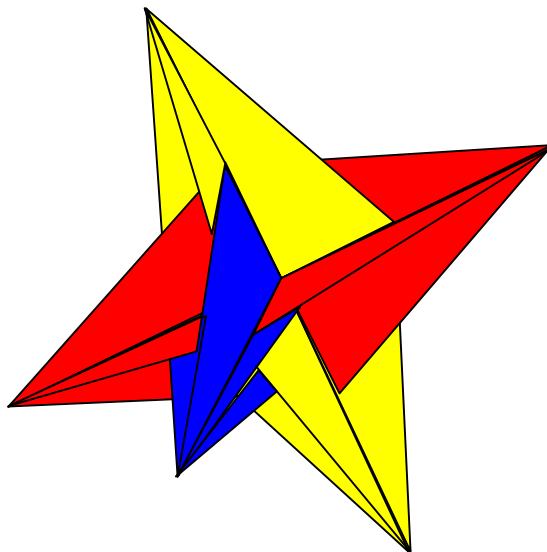

bottom

p = pocket

Make 6 (2 units each of 3 colors is best)

4. As with the XYZ Diamond, the sides slide into pockets, but here instead of 2 sides of B sliding into 2 pockets of A, 1 side of each slides into 1 pocket of the other..

5. Finished

Be sure you can do the XYZ Diamond before trying this model!
